Subject: Declaration of not tested on animals

Declaration of manufacturer

We E. L. Erman Cosmetics manufacturing Ltd. hereby declare that all our products are genuine, developed & produced by us; and never been tested on animals.

E. L. Erman Cosmetics manufacturing Ltd is fighting against any kind of tests being conducted on animals and serves as one of the leaders in Israel in the campaign against it.

E. L. Erman Cosmetics manufacturing Ltd is a truly green company; supporting and protecting the environment, recycling, pollution and any other form of aggression against the planet, rain forests and sea.

All the Ingredients in our products are matching the CTFA, the CAS No. and the Israeli Ministry of Health and the Israeli Law and all EC directives on cosmetic products and the FDA instructions & regulations.

All the colors that are being used meet the international law & Regulations.

All Fragrances that are being used in our products are matching the IFRA Regulation and do not contain any allergenic or carcinogenic materials; and do not contain alcohol.

All Flavors in our products are in accordance with the American list of flavorings materials GRAS and FEMA.

With Compliments

E. L. Erman Ltd

Mr. Zabari Erez
